

“Open Our Eyes Lord” (G)

Chorus:

G – D/F# – Em7 – D/F# – Em7 – D/F# – D – C – Em

Open our eyes, Lord – like on the road to Emmaus
Teach us to see...the heavens, above
Lord, let us witness...Your only Son, who...
Was torn on calvary.

Verse:

G – add C in the bass – D/F#--C (rpt.)

I took – my own way; I sowed, my own seed...
But the crops I harvested...left me hungry in the end...
And the fruit I thought was ripe was rotten...
Butchou’ came and gave me – new wine for my soul...

Bridge:

G – Cadd9 – D/F#--walkup--C

La da da da da da (rpt.)
I know...that You will never leave...
La da da da da da (rpt.)
I know...You’ll love me, even then...

(Chorus 2x)
